

Union County Educational Services Commission
Consent for Psychiatric Consultation: 2017-2018 School Year

Dear Parent/Guardian:

Each year our consulting psychiatrist assists with the progress of our students by meeting with teachers, support staff, and students. The psychiatrist is a valuable member of our professional team, who helps your child by exchanging information with you, other agencies, therapists, and doctors.

Kindly fill out the attached form and return it to the school office so that we can all work together to help your child. You will be contacted if individual psychiatric consultation is necessary.

If you have any questions, please feel free to call our school nurse, _____,
or our school social worker, _____.

Thank you for your support in continuing to meet the needs of our students.

Sincerely,

Principal
