### **Anti-Bullying Bill of Rights: 2017 – 2018 School Year**

---

Dear Parents and/or Guardians,

Please be advised that the Union County Educational Services Commission does not tolerate acts of harassment, intimidation or bullying of students and will take all necessary and appropriate action to prevent such behaviors from occurring within our schools and programs.

As required by the Anti-Bullying Bill of Rights, the Harassment, Intimidation and Bullying Policy can be found on the district website ([www.ucesc.org](http://www.ucesc.org)) and on the homepage of each school/program. The contact information of the District Anti-Bullying Coordinator and the Anti-Bullying Specialists for each school/program can also be found on the website.

Nothing is more important than the safety and well-being of the children in our care. Our team of professionals is committed to providing each child with an educational environment steeped in kindness, respect and tolerance.

I look forward to your support in helping our staff continue to meet this very important goal.

Sincerely,

*Terry Foppert*
